

# ACTUARIAL BOOT CAMP

## High School Seniors & College Freshmen:

Got math skills? Thought about putting your love for solving math problems to work? Don't miss 2017's **Actuarial Boot Camp**, an intensive and interactive one-week program that will show you the ropes of the actuarial profession and prep you for the actuarial exam in *Probability*.

An **actuary** is a business professional who uses mathematics, statistics and financial and investment theory to study uncertain future events, analyze their financial consequences and develop programs to reduce the impact of the associated risks, especially those of concern to insurance companies.

**DESIRED APPLICANTS:** Self-motivated students with a passion for math and solving complex math problems  
*See application for eligibility requirements.*

**PROGRAM DATES:** July 17-21, 2017 (8:30 a.m. to 4:00 p.m. each day)  
July 24-28, 2017 (8:30 a.m. to 4:00 p.m. each day)  
*Students will be assigned to one of the two camps; limited to 20 students each!*

**HOST & LOCATION:** MassMutual at 100 Bright Meadow Boulevard in Enfield, Connecticut

**TUITION:** \$250 for Connecticut residents / \$500 for Out-of-State residents  
*Tuition assistance may be available.*

**HOW TO APPLY:** [www.connecticutIFS.com](http://www.connecticutIFS.com)  
*Application must be **postmarked and mailed, or e-mailed, no later than May 19, 2017.***

## PROGRAM FEATURES

**“[For once] being a math nerd was the coolest thing in the world!”**
